

> AIRSTREAM WHISPER®

Certified quiet, warm in use

The **AIRSTREAM WHISPER®** is one of the quietest hand dryers in its class*, making it the perfect solution for primary schools, nurseries, offices or locations where a discreet hand drying solution is required.

The hand dryer has attained the Quiet Mark, the international approval award programme associated with the UK Noise Abatement Society charitable foundation. It encourages companies worldwide to prioritise noise reduction within the design of everyday appliances, and find solutions to noise problems.

**Warm Air Dryers.*

Quiet

The **AIRSTREAM WHISPER®** is the perfect solution for locations where noise is a concern. For those washrooms situated close to a classroom, office or quiet restaurant, noise levels need to be managed and reduced.

Young children can also become anxious around noisy hand dryers, which makes the **AIRSTREAM WHISPER®** the ideal fit for primary schools. The low noise combined with the warm dry adds an extra level of comfort and peace of mind. **AIRSTREAM WHISPER®** is cost effective to run, only £0.09 for 150 dries.

Key Features :

Certified QUIET in use – a low noise, low energy, warm air dryer

WASHROOM HYGIENE

Hygienically Clean

The outer casing and touchable parts feature antimicrobial protection technology, an additive that prevents the spread of pathogenic germs such as MRSA, E.coli and salmonella. All these factors combine to provide an ultra-hygienic level of hand drying, making it ideal for hygiene conscious environments.

Unique Connect Technology

phs connect is an innovative feature which allows the back plate and electrical connection to be installed separately to the main dryer unit. Once installed the dryer is easily, quickly and securely locked onto the back plate.

For refurbishments or new build sites, this allows the back plate and electrical connection to be installed at first fix, and the actual dryer unit to be installed later. It also allows any non- electrically qualified person to exchange in the unlikely event of a failure.
